

Category: <b>Flash Diffusers</b>	SKU: <b>PUF-RETAIL</b> (for all standard hot shoe mounts) <b>PUF-SONY</b> (for SONY hot shoe mount)	Brand:  <b>GARY FONG</b>
-------------------------------------	---	--

Description: PUFFER Pop-up flash diffuser.

RRP: \$36.95

#### Quick overview:

Mount the PUFFER in your camera hot shoe and take perfect portraits, grab-shots of small groups or close-ups of objects. Puffer works with your pop-up flash to get the best light diffusion available from your on-camera flash.

With the Puffer, you'll even get much more professional-looking flash images for your interior photos or even eBay photos.

Puffer packs **completely flat** for convenient storage in your camera bag (or pocket) and has eight different mounting positions for the perfect fit for any pop-up flash camera.
