New & improved version of Photo Safe, winner of
American Photo 2007 Editor's Choice Award for "Imaging Essentials – BEST BUY"

"The best vacation accessory for your digital SLR is probably... a compact digital storage unit that lets you safely offload images from your memory cards while you're still traveling. Digital Foci's rechargeable battery-powered Photo Safe is among the most affordable and convenient devices in this category."

- American Photo July/August 2007 on Photo Safe

PHOTO SAFE II
